- ❖ Applicants will be elderly (over the age of 62) who reside in Leominster
- ❖ Income eligible according to HUD income guidelines, the cumulative gross annual household income cannot exceed eighty percent (80%) of the median household income for Leominster
- ❖ All applications will be on a first come first serve basis as funds are available
- ❖ All funding will be in the form of a grant
- ❖ Taxes, water and sewer payments must be current to be eligible

CITY OF LEOMINSTER

After the above criteria are met the housing Rehabilitation Specialist will meet with the home owner to discuss the scope of work and determine which products are needed. The Housing Rehabilitation Specialist will notify the contractor to discuss the services needed. The work will then be scheduled to start and completed within a thirty (30) day period. The customer will then sign a certificate of completion and satisfaction and then the contractors invoice will be submitted for payment.
